INDEPENDENT AUDITORS' REPORT

We have audited the financial statements of **Ambala Foundation (Former Environment Council Bangladesh)**, which comprise the consolidated statement of financial position (balance sheet) as at 30 June 2017 and the consolidated statement of profit or loss and other comprehensive income, statement of receipts and payments, consolidated statement of cash flows and consolidated statement of changes in capital fund for the year ended 30 June 2017 and a summary of significant accounting policies and other explanatory information of Microfinance Program.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting policies summarized in the note 3 to 5 to the financial statements and for such internal control as management determines is necessary to enable the presentation of financial statements that are free from material misstatement, whether due to fraud or error;

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing as adopted in Bangladesh. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of Ambala Foundation as of June 30, 2017, and of its

consolidated financial performance and its consolidated cash flows for the year then ended in accordance with accounting policies summarized in the note 3 to 5 to the financial statements.

We also report that:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
